

Klieglights

Automatic—Direct Current—35 Amp.

Fig.		Volts	Price	Weight	Code Word
1011	Klieglight Arc Lamp.....	110	\$150.00	138 lbs.	Alora
1013	Klieglight Arc Lamp.....	250	167.00	146 lbs.	Alpen
2011	Klieglight 2 Section.....	110	300.00	212 lbs.	Alid
1017	Klieglight Hanging Lamp.....	110	140.00	50 lbs.	Alpara
1014	Klieglight Hanging Lamp.....	250	157.00	77 lbs.	Alpara

Automatic—Alternating Current—35 Amp.

1015	Klieglight Arc Lamp.....	110	150.00	138 lbs.	Ambit
1017	Klieglight Arc Lamp.....	250	167.00	146 lbs.	Atid
2015	Klieglight 2 Section.....	110	300.00	212 lbs.	Ambiab
1016	Klieglight Hanging Lamp.....	110	140.00	50 lbs.	Amerer
1018	Klieglight Hanging Lamp.....	250	157.00	77 lbs.	Ancon

Note to Electrical Department. Klieglight Arc Lamps are tested on 120 volt circuits. If it is necessary to readjust arc lamp mechanism for a different voltage, please note, adjustments are to be made on the lock nuts holding fine coil adjusting spring.

The weight given on all Klieglight lamps includes lamp hood, rheostat, stand, switch and cable.

On Hanging Lamps the weight includes lamp hood, rheostat, switch and cable.

Carbons

We recommend and supply for use in our Klieglight and Lilliput Arc Lamps a special, scientifically perfected carbon which we have found to develop a rich actinic and extremely intense white light. Each carbon is stamped "Klieglight" and is recommended for use exclusively in these lamps for either alternating or direct current. They burn steadily, noiselessly, and give the highest efficiency.

	Price	Code Word
1/2 x 4 1/2 inches (13 x 120 mm.), For Klieglight.....	\$5.33 per 100	Antler
5/8 x 4 inches (16 x 100 mm.), For Lilliput.....	\$3.50 per 100	Antlia

(Carbons in lots of 1000, see page 106.)

Prismatic Glass Diffusing Screen

We recommend this diffusing screen where a subdued, thoroughly diffused illumination of high efficiency is desired for motion picture work. The prismatic glass absorbs only 2% of the light value. The screens are fitted in metal frames made in sizes to fit the slide grooves of our Klieglights, Lilliputs and Spot Lights.

Fig.		Price	Weight	Size	Code Word
1044	Metal frame with Prismatic Glass for Klieglight.....	8.00	11 1/2 lbs.	26" x 15 1/2"	Apico
1045	Metal frame only to fit Klieglight.....	3.50	3 lbs.	26" x 15 1/2"	Apicose
1046	Prismatic Glass only.....	2.50	8 1/2 lbs.	24 1/2" x 14 1/2"	Apibani
1054	Metal frame with Prismatic Glass for Lilliput.....	4.30	4 1/2 lbs.	15 1/2" x 14 1/2"	Apunto
1053	Prismatic Glass only.....	2.00	3 lbs.	14 1/2" x 13 1/2"	Apudon
1047	Metal frame with frosted Gelatines for 12" Spotlight.....	2.50	1 lb.	13" x 12"	Aptandi
1048	Iditto, for 8" Spotlight.....	1.00	5/8 lb.	11" x 10"	Apterus
1049	Iditto, for 6" Spotlight.....	.45	3/8 lb.	9" x 8"	Apterus
